THIEDE-FLIGINGER RANCLAND

SHORTHORN BULL AND BRED HEIFER SALE

Saturday, APRIL 26, 1958

GREGORY, SOUTH DAKOTA

Gregory Livestock Auction Pavilion — 12:30 P.M.

*Gregory, South Dakota is located on Hiway No. 18
and is approximately 30 miles north of the Thiede Ranch*

44 BULLS ... Nearly all big, rugged, two and three-year-olds with a few strong yearlings. These bulls have been specially developed for top range and farm herd use.

28 FEMALES ... A specially selected group of bred heifers — all from the Thiede herd. Many of these will have calves at foot by sale day.

*Two of the largest registered Shorthorn herds in the middle-west
have been making plans for a year for this feature auction.*

OTTO THIEDE & SONS, Burton, Nebraska, who were the nation's top Shorthorn recorders this past year, sell 20 bulls and 28 females, the very tops out of their 400 head cow herd. Their offering is sired by SUNRISE CONSUL, sire of many winning steer calves sold each fall in their annual sale, LANEVIEW DUPLICATOR, FEMCO BETTER NEWS 6th, SCOTSDALE JUSTANIA. The heifers are mated to LOUADA TRIUMPHANT and LOUADA RADIANT, sons of Calrossie Armada purchased this past year for \$3,350 and \$800 each, respectively, from Louada Manor Farms in Canada. Others carry the service of SCOTSDALE KILTY, CHICAGO FANFARE 16th, PAYROLL COMMANDO and SUNRISE CONSUL.

FLIGINGER SHORTHORN FARMS, Hurley, South Dakota, owned by C. R. Fliginger and Melvin Schmeichel, are consigning 24 big, strong, aged bulls. This firm handles a herd of nearly 200 head of registered Shorthorns and during the past year, in order to guarantee a strong offering for this sale, have purchased a number of outstanding young bulls, and developed them specially for this event. They offer two sons of the Denver reserve grand champion bull, Marellbar Purvis. Two by the \$10,000 Killlearn Max Senator. Others by Calrossie Cock Robin, Comrie Formula, Outlook's Lamplighter, Scotsdale Gold Rush, Ringleader Diamond, Femco Prince Royal 27th, Femco Commodore and Femco Harmony.

Everything sells T.B. and Bangs tested and fully guaranteed. There is quality back of this offering of cattle that contains scale, bone, and beef-making potential. Remember, also, there is no dwarfism problem with Shorthorns. Both range-men and purebred breeders will find herd bulls here that can get the job done for them, and that will sire "reputation calf crops."

THIEDE-FLIGINGER SHORTHORN BULL AND BRED

General Information

Location – Gregory, South Dakota is located on Hiway No. 18 and is approximately 30 miles north of the Thiede Ranch. The Luelllyn Hotel in Gregory, South Dakota, will be sale headquarters.

Guarantee – All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

Terms – The terms of the sale are cash.

Health – Official vaccination for Bangs disease has been practiced. T.B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 24 months of age. Every lot will comply with the health regulations into any state which they may go.

Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

Announcements from the auction box will take precedence over printed matter in the catalog.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

Bids – Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Ted Aegerter, Field Representative of the American Shorthorn Breeders' Association, Seward, Nebraska; to Kenneth Fulk, Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Avenue, Union Stock Yards, Chicago, Illinois; to Arden Aegerter of the Journal Stockman; to Lawrence Buller of the Nebraska Farmer, Lincoln, Nebraska, or to the consignors.

Auctioneer – Dick Kane, Wisner, Nebraska

Sale Manager – MERVIN F. AEGERTER
Seward, Nebraska

Club Calves Are Specialty At Meadowview Ranch

**Otto Thiede & Sons, nation's top Shorthorn recorders, started
Nebraska herd fifty years ago.**

FIFTY years ago Otto Thiede and his father bought their first registered Shorthorn cows. Today, the herd, which is run by the family firm of Otto Thiede & Sons, is one of the larger purebred Shorthorn herds in the country. Meadowview Ranch, northwest of Burton, Nebraska, is home for the Thiede Shorthorns which number more than 400 head.

History of the herd goes back to the Shorthorns owned by the late Governor A. C. Shallenberger, and the famous W. S. Marr herd in Scotland.

Otto and his father purchased their first purebreds October 1907. They bought cows of good type and character. Their cattle had straight lines, were deep, thick and smooth. Through a continued program of constructive breeding, Thiede Shorthorns earned an enviable reputation.

Otto pioneered and built up a trade to supply Shorthorn steer and heifer calves to 4-H boys and girls. At first he supplied club calves privately. Now, Thiede and his two sons, Edwin and Earl, and son-in-law, Virgil Nilson, hold an annual steer and heifer calf sale in the fall.

They find it helpful to watch the state fairs and stock shows to see what type the judges and feeders want; then they work toward this type.

Along in the late 1930's and early 40's, Otto noted that the club boys and girls wanted an animal with shorter legs. Immediately, Otto set out to produce a calf with shorter legs

through his breeding program. This he did, while maintaining the other good characteristics.

The Thiedes' efforts have been fruitful, for hundreds of 4-H club members have fed and shown Thiede calves to championships. To mention a few — champion Shorthorn in 1956 and reserve champion in 1955 at the Iowa State Fair, reserve champion at the Inter-state Show at Sioux City, two blue ribbon steers at South Dakota State Fair, reserve champion at Indiana State Fair. In 1955 a Thiede-bred steer stood second in his class to the grand champion at the Chicago International.

At their calf sale last fall, steer calves averaged \$143 per head, heifers, \$128 per head and the top ten steers averaged \$268.

Last year the Thiedes recorded 172 calves to top Shorthorn and Polled Shorthorn registrations for the third straight year. Most of these were heifers. They keep about 20 bulls each year and steer the rest for their sale.

At present the Thiedes run 300 brood cows and use nine herd bulls. They try to keep 25 to 30 good heifer calves each year for replacements. The cow herd was up to 400 in 1955; however, it was necessary to cut back because of dry weather. They plan to increase the number of cows.

Most of the breeding is horned; however, they have used two polled bulls in the past, and some of the cows are polled.

Thiedes operate their 5,200-acre spread in a practical manner, and the registered Shorthorns are handled pretty much on a commercial basis.

THIEDE-FLINGER SHORTHORN BULL AND BRED

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS

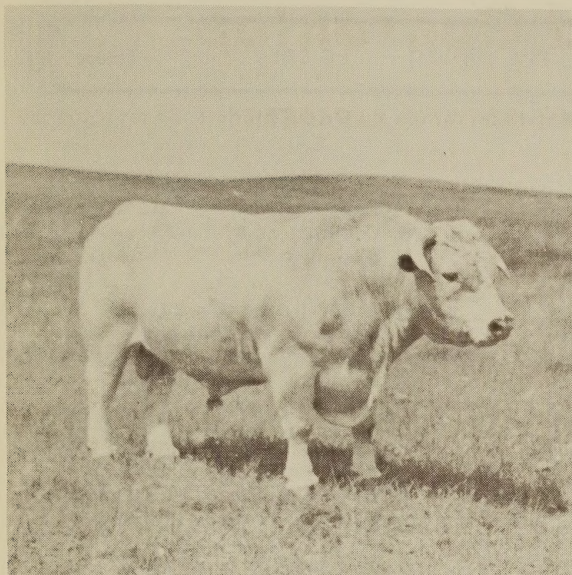

ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

FEMCO PRINCE BOB 5th by the \$9000 Camson Prince Bob. Dam, Imp. Harviestoun Countess. Definitely one of the thickest bulls in the country. He is bound to sire thick beef cattle.

Our herd numbers 175 head of uniform, high quality, well bred Shorthorns. We can supply you with one or a carload of bulls and females by our outstanding herd bulls.

Fliginger Shorthorn Farms, Hurley, South Dakota

C. R. FLIGINGER, Owner

MELVIN SCHMEICHEL, Farm Manager

THE NEXT 24 BULLS ARE BEING CONSIGNED BY FLIGINGER SHORTHORN FARMS, HURLEY, SOUTH DAKOTA

C. R. Fliginger and his son-in-law, Melvin Schmeichel, have been two of the Shorthorn breed's foremost boosters in the middle-west, and they back up their beliefs with the production of top quality cattle, in numbers, on their large farm near Hurley. During the past year they were in the top twenty of the nation's top Shorthorn recorders, and have established an enviable demand for their bulls. Like the Thiedes, they appreciate the importance of making Shorthorn bulls available in numbers, and have, in addition to their own production, secured additional, outstanding, young bulls which they have developed specially for this sale.

VILLAGE BEAUTY 28th -- MATED TO SCOTSDALE KILTY.

THIS SALE HAS BEEN A YEAR IN THE MAKING

Both Otto Thiede and Charles Fliginger have long realized that they operated in an area that was on the threshold of one of the largest commercial cattle production areas in the county. Their confidence and belief in Shorthorn cattle has long been proved to themselves and in order to prove to others that Shorthorns can do the job on the farms and ranches in this great cattle country they realize that they could best do this by making both bulls and females available in numbers. It was early in the spring of 1957 when they definitely decided on this sale at Gregory on April 26. Every animal in this 72 head offering could have been sold privately at the ranches months ago. It is refreshing therefore to work with cattlemen like this, willing to help boost the breed, especially at a time when the beef cattle business is headed for relatively strong position in the years ahead.

THIEDE-FLIGINGER SHORTHORN BULL AND BRED

REPRESENTING CANADA AT DENVER, 1958. This trio of bulls won the Pen of Three Championship at the 1958 National Western Stock Show, Denver, for Louada Farms, Ltd., Peterborough, Ont. These bulls made an average price of \$900. From the left: Louada Bandolier, by Louada Factor, (\$1,100 to Ignatious Engel, Fairfield, Kans.); Louada Radiant, by Calrossie Armada, (\$800 to Otto Thiede & Son, Burton, Nebr.); McLean Farms Armada, by Louada Monarch (\$800 to Jos. Winkler, Castle Rock, Colo.) In this picture, from the left, Earle Thiede and Jos. Winkler, two of the purchasers, and Charlie Smith, Louada herdsman.

Memo

Please Bring this Catalog to the Sale with You

**WE'RE SELLING 44 SHORTHORN BULLS
THEY ARE BEING OFFERED BY TWO OF THE
LARGEST SHORTHORN HERDS IN THE MIDDLE-WEST**

This sale was planned a year ago to provide both purebred and commercial cattlemen a chance for wide selection of top quality breeding.

This offering will have special appeal for the large ranch operator who wants good, strong, aged bulls that have been specially developed and handled together, and are of uniform breeding and type. These bulls have not been pampered, although they will be presented in strong breeding condition. They are sound on their legs and feet, and are ready to go out and take it, and get the job done.

The 28 females are all young heifers. A good many of them will have calves at foot by sale day. Seven of them carry the services of the \$3,350 Louada Triumphant.
